# Company History

## Background

Eximex is working closely with 'King Pac' in Thailand, whose manufacture and supply most major supermarkets in the UK and Ireland.

Eximex has traded for twelve years in the UK and King Pac in Thailand started trading in 1974.

## Eco-friendly

We, as humans, are the only ones with the power to protect all life on earth. Eximex has made it our mission to create an enterprise that naturally sustains the environment through the products we create and the lifestyle that we ensue.

**180K**  
kilograms of plastic  
drawn from landfills

**90%**  
of recycled resources  
is used in our products

## BUSINESS

Eximex handles all their delivered duty-paid business in the UK and we continue to grow our DDP business.

Moreover, Eximex produces 130,000 tons of Polythene products per year. We also have our own branded products on sale in the UK supermarkets, 'Hero Brand'.

## AREA OF EXPERTISE

Eximex specialises in the export and import of products from Thailand to international markets and vice versa. We understand customer's market trends, demands, and requirements for business development.

Logistics  
services

Polythene  
products

Private labels  
products

## HERO BRAND

### Refuse Sacks / Bin Liners

1

Hero refuse sacks are strong and durable for use in every household or establishment with added features such as puncture resistance & tear defence to help improve your waste management experience

### Food Packaging

2

Eximex improves our Hero food packaging to help to preserve freshness of food, hygiene and reduce wasteful expenses. Plus, most of food packaging are are produced with recycled resources.

### Sustainable Packaging

3

Natural materials like cane is used to produced strong, high quality packaging intended for fast degradation in composting facilities leaving no waste, methane or harmful residue.

# CERTIFICATES

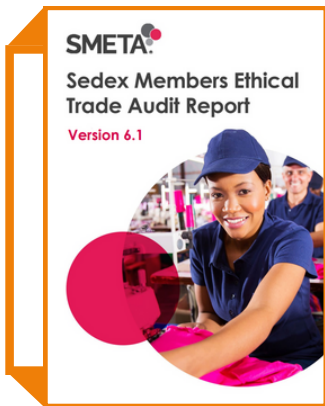

Eximex continues to improve through innovation and demands agility, adaptability and a willingness to evolve. We deem it essential to remain competitive, responsive and sustainable in a rapidly evolving business landscape.

100% Recycled Plastic Bag  
Company Reference: ZC1082540

# PRODUCT CATALOG

## REFUSE SACKS/ BIN LINERS

**EMBOSSD SURFACE**  
for higher resistance and  
leak proof

PRODUCT CODE: #H07034

### HOW ARE WE DIFFERENT?

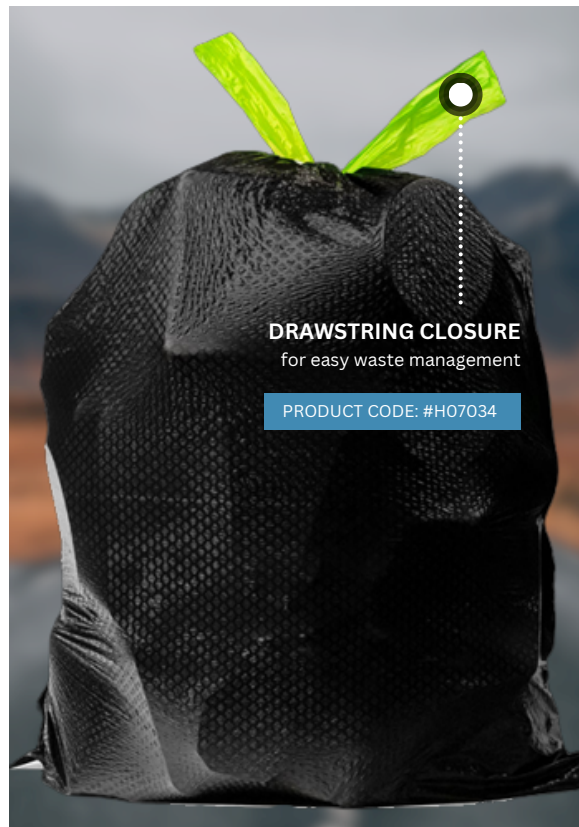

With King Pac's blend formulation that produces bags that don't split and tear easily which outperform other products in the market. With over 40 million bags sold during 2022, we had less than 0.00002% complaints.

So, we pride ourselves on excellent quality and nothing in the UK market can be compared to our specification as we bring USA bin bags performance to the UK.

PRODUCT CODE: #H07091

## HERO 15'S MEDIUM CLICK SEAL F&F BAGS

Product Code:  
H07053

Pack Barcode:  
5065004296663

Carton Barcode:  
5065004296670

### Product Information

- Capacity: 5 litres
- 15 bags per pack
- 25 packs per carton
- 12 cartons per layers
- 12 layers per pallet
- 144 cartons per pallet

### Product Highlights

Convenient with  
Click & Seal closure

Freezer safe &  
Hygienic food grade

Food bags  
with writeable panel

Multipurpose bags  
with 100% recyclable

### Price Information

- Pack price: £ 0.62
- Carton price: £ 15.50
- Pallet price: £ 2,232.00

Recommended Retail Price  
@ £1.50 per pack
